Dear Ms. Jill M. Schultz:

Please find enclosed for your information 2 draft abstracts entitled:

1. Design for a population study of exposure of U.S. adult smokers to cigarette smoke. *authors*
2. Selection of biomarkers for exposure to cigarette smoke in a large population study. *authors*

We hope that the organizers of the
~~These draft abstracts are for two posters describing the study design of the Total Exposure Study and the selection of biomarkers for the Total Exposure Study, respectively. Our goal is to present this work at the 9th International Congress of Toxicology in Brisbane, Australia in July of this year.~~ *accept*

abstracts for work
One of our objectives is to share information all along the study with the scientific community. We believe these posters describing the study design and the selection of biomarkers ~~before the study starts~~ *will have the effect of* meet our need. *submit 2 abstracts to the congress in July 2001.*

Thank you for your interest and we look forward to working with you.

Best regards

Roger Walk

*total exp. study we have
designed before we asked COV. for
to work with us in implementing.*

and invite dialog about the design and
